Mission Bay Homeowners Association January Newsletter

President's Message

Welcome to the New Year and may it bring much happiness and joy to each of you. As we turn to the new year, we set new expectations and plans for the year that lay ahead.

One of the goals for the new year is to update our Reserve Study. This is our annual commitment to ensure that we have enough money to do projects as they come up, not only this year but for the years to come. Once that report is completed it will be shared with the membership. Our last report was completed in January 2024 and reviewed last year.

In the coming year we will be holding our elections for Board Position that are open. This is a great opportunity to meet others within the community and to learn how your homeowner's association works. We are blessed to have a great group currently on board and would welcome each of you that would apply and get elected. The terms that will be open this year will be for three-year terms starting the second Tuesday of July.

As always, I am so very appreciative of the current board and their hard work. It was also so very wonderful to have so many turnouts to vote for the new year's budget. Starting in January you will see the dues change for the basic services and reserves for the coming year. Our next

board meeting will be held January 13th, the second Tuesday of the month, at 10:00 AM, we look forward to seeing you.

**Best wishes to all,
Pete Ridgeway**

January Mission Bay HOA Board Meeting

Date: Tuesday, January 13th

Time: 10:00AM

Place: Mission Bay Clubhouse

Community Center Update

Dear Homeowners,

I would like to share a brief update from the Committee's December 17th meeting. Several agenda items were discussed, including ongoing concerns regarding homeowner use of the clubhouse and the importance of keeping the facility clean and well maintained. As part of this discussion, the Committee reviewed and clarified the fee structure for reserving the Great Room:

- *** Non-member reservation (with member sponsor):**
 - \$100 Non-Refundable Cleaning Fee
 - \$100 Refundable Deposit
- ***MB/Preserve member reservation:**
 - \$100 Refundable Deposit
- ***Events open to all members:**
 - No fees will be imposed

The Committee also discussed purchasing a smart TV for the gym, ordering the 2026 reserve study, and finalizing our Spectrum service and Wi-Fi to ensure we are receiving the best value.

As part of this review, it became clear that Spectrum accounts and services had not been fully transitioned or documented over time, which resulted in confusion regarding billing and service responsibility. The Current Committee has worked closely with Spectrum to sort through these issues, and we are pleased to report that most items have now been identified and resolved. Much thanks to Rod McRae for taking the lead on this!

***PLEASE take some time to review the updated Mission Bay/Preserve Community Center Reservation Policy. Especially those highlighted below.
